Education

University of Warwick *Coventry, UK*
BSc Computer Science Sep 2025 – Jun 2028

- Year 1 Grade: 2:2

A-Levels *English School of Nicosia*, Nicosia, Cyprus September 2017 - June 2024

- Mathematics (**A***), Further Mathematics (**A**), Physics (**A**), Computer Science (**A**)

Work Experience

Penetration Testing Intern · *Odyssey*, Nicosia, Cyprus July 2026

- Conducted penetration testing using industry-standard tools, including **Nmap, Nessus, and Burp Suite**, to identify and assess security vulnerabilities.
- Performed primarily **Black Box assessments**, simulating real-world attack scenarios to evaluate the security posture of target systems.
- Identified and exploited vulnerabilities, including **SQL injection (SQLi)**, and conducted simulated **phishing campaigns** to demonstrate potential security risks.
- Collaborated directly with clients to communicate findings and produce actionable security reports covering both **Black Box and White Box assessments**.

Military Service · *Cyprus National Guard*, Cyprus July 2024 – September 2025

- Reviewed and verified official documentation for accuracy and completeness before submission to the Assistant Chief of Staff of the Cyprus National Guard.
- Managed transportation and security responsibilities for the Assistant Chief of Staff, handling sensitive logistical duties with discretion and professionalism.

IT Infrastructure Intern · *University of Cyprus*, Nicosia, Cyprus June 2023 – July 2023

- Assisted with the maintenance and day-to-day operations of the university's network infrastructure.
- Collaborated with a fellow intern on independently managed projects and tasks assigned by the IT department.
- Demonstrated strong initiative and time management by working with minimal supervision and consistently completing tasks ahead of schedule.

Full-Time Server · *Bohemian Gardens Hotel*, Paralimni, Cyprus Summers 2021 & 2022

- Developed strong communication, teamwork, and time-management skills while delivering customer service in a fast-paced hospitality environment.
